

JICA Knowledge Co-Creation Program for Long Term Participants

General Information on

SDGs Global Leader

JFY2021-2023

国別研修

「SDGs グローバルリーダー（2021-2023 年度）」

This information pertains to one of the Japan International Cooperation Agency (JICA)'s Knowledge Co-Creation Program (Long-Term). This handout gives information on the overview of the program. This program will be implemented as part of the Official Development Assistance of the Government of Japan based on bilateral agreement between both governments.

Each country may have its own schedule and/or qualifications for the program. With regard to the additional information, please contact JICA overseas office in charge of your country.

1. Overview

Until now, JICA has provided training programs as a part of technical cooperation in various fields. In order to strengthen a network among the target countries in respective fields, JICA established a new long-term training program to foster young/middle bureaucrats, academicians and leading human resources in various fields of target countries who will make influence on policy making processes of their countries or will contribute to socioeconomic development in near future.

SDGs Global Leader is newly established in JFY 2019 to promote cooperation for sustainable development in the world, under the framework of JICA Development Studies Program (JICA-DSP).

The course will provide participants with special program on Japanese developmental experience and internships if necessary, in addition to obtaining Master's or PhD. degree.

2. Objectives

1. To develop high level human resources who would contribute to appropriate policy decision and its implementation for tackling political and developmental issues in respective fields.
2. To establish and maintain mid and long term good relations between the target countries and Japan.

3. Course Outline

The course consists of the acceptance of scholars from 97 countries including 9 countries from Southeast Asia, 14 countries from Pacific region, 6 countries from South Asia, 6 countries from East and Central Asia, 32 countries from Latin America, 3 country from Middle East and Europe, 49 countries from Africa.

This Overview Information shows information related to long-term courses including master’s degree course, Ph.D. course, and combined Master’s and Ph.D. course¹.

Candidate applicants may select the university, to which he/she wishes to apply, from the universities which have concluded an agreement on accepting JICA participants on the condition that the candidate passes the entrance examination. Detailed information on these partner universities will be provided separately.

Proposed research topics will be the one that contribute to the Government policy for the sustainable development.

For Pakistan, Administration/public policy, finance, public health, information and technology, city planning and basic education are the targeted sectors for this year.

In addition to the programs in the master’s and Ph.D. courses, the activities such as short-term program (e.g. Understanding the Japanese Development Experience²), and/or internship program will be planned in order to enrich the participants’ academic and personal experience of their courses of studies at the universities.

It is recommended to participate internship program at public or private entities during their stay in Japan. JICA will prepare the contents and schedule of the internship in close consultation with the participants and host organizations. In principle, no reward or compensation should be paid to the participants or host organizations.

4. Duration

In principle, 2 years for Master’s Program and 3 years for Ph.D. Program (It depends on each

¹ Bachelor’s degree course are also offered specially for Pacific countries.

² As part of JICA-DSP, this program is co-organized by GRIPS, IUJ and JICA for JICA Knowledge Co-Creation Program for Long Term Participants. The program offers participants with opportunities to gain a deep understanding of the Japanese development experience, and to draw lessons and gain insights that will support their development work in their home countries and internationally.

program offered by universities)³.

5. Number of Participants

	JFY2021	JFY2022	JFY2023	Total
