Subject: IsDB Prize for Impactful Achievement in Islamic Economics for 1446H (2025G)

Your Excellency,

As you may be aware, the Islamic Development Bank (IsDB) awards the "IsDB Prize for Impactful Achievement in Islamic Economics" to individuals and institutions with outstanding achievements in the categories of (i) knowledge creation and (ii) innovative development solutions guided by the principles of Islamic economics. The Prize is awarded annually in only one category on a rotation basis.

For the year 1446H (2025G), the Prize will be awarded in the category of innovative development solutions. The aim is to recognize and encourage creative projects that have successfully contributed to solving major development challenges facing IsDB member countries.

I am pleased to attach a copy of the brochure providing all the details about the Prize. I should be grateful if you would have this brochure circulated to the relevant institutions in your esteemed country to invite them to nominate whomever they deem appropriate for this Prize. In this regard, I would like to inform Your Excellency that nominations are now open and that all applications must be submitted exclusively through the Prize's portal (<https://prize.isdbinstitute.org/how-to-apply/>) in a two-step process. In the first phase, the nominator/applicant will register his/her nomination on the aforementioned link before 30 October 2024. In the next step, the nominator/applicant will upload the nomination form and any relevant documents before 03 November 2024.

Please accept, Excellency, the assurances of my highest consideration.
