

MFA/DPD/00007/2026

The Ministry of Foreign Affairs of the Republic of Singapore presents its compliments to all National Focal Points for Technical Assistance and has the honour to invite applications for the course on “Scientific Approaches to Drug Threats: Forensic Analysis, Identification and Innovations” to be conducted in-person in Singapore from 20 to 24 July 2026, under the Singapore Cooperation Programme Training Award (SCPTA).

The Ministry of Foreign Affairs of the Republic of Singapore has the further honour to inform all National Focal Points for Technical Assistance that under the SCPTA, the Government of the Republic of Singapore is pleased to consider **one (1)** suitable applicant(s) nominated by each National Focal Point. The application must be completed in full and endorsed by the respective National Focal Point via the Singapore Cooperation Programme website (<https://www.scp.gov.sg>) by **Friday, 15 May 2026**.

Successful applicants will be notified accordingly via Letters of Acceptance. The Ministry will not accept into the course any applicant who arrives in Singapore without an official Letter of Acceptance. Under the SCPTA arrangement, the Government of the Republic of Singapore will bear local hospitality, course fees, training allowance and group personal accident/hospitalisation insurance. The round-trip airfare for participants will have to be borne by the nominating governments. Details on the application procedures are available in the attached brochure.

The Ministry of Foreign Affairs of the Republic of Singapore avails itself of this opportunity to renew to all National Focal Points for Technical Assistance the assurances of its highest consideration.
